ILLINOIS SECRETARY OF STATE DEPARTMENT OF POLICE OFFENSE CODE INDEX

This index does not list all offenses and is intended only as a ready reference guide to enforcement sections in the Illinois Compiled Statutes (ILCS). All users should be alert to any new legislative or Practice Rules that may affect its accuracy. **IN EVERY CASE, THE PERTINENT ILCS SECTION SHOULD BE READ TO DETERMINE THE PROPER CHARGE AND BAIL.**

NOTE: The 4-digit number listed in parentheses below Illinois Vehicle Code and certain other violations throughout the Offense Code Index is included for uniform crime reporting purposes utilized by the Secretary of State Police. This code may differ from codes other law enforcement agencies may collect.

BAIL BOND AND APPEARANCE PROCEDURES

The bail amounts specified in the Offense Code Index are preset in the Practice Rules to avoid undue delay in freeing certain persons accused of an offense when, because of the hour or circumstances, it is not practical to take the accused before a judge to have bail set.

SUPREME COURT RULE 553. POSTING BAIL

(A) *By Whom and Where Taken.* The several circuit clerks, deputy circuit clerks and law enforcement officers designated by name or office by the chief judge of the circuit are authorized to let to bail any person arrested for or charged with an offense covered by Rules 526, 527 and 528. Upon designation by the chief judge of the circuit, bail may be taken in accordance with this article in any county, municipal or other building housing governmental units, police station, sheriff's office or jail or district headquarters building of the Illinois State Police. Individual bonds under paragraph (D) of this rule may additionally be taken as designated by the chief judge of the circuit.

(B) *Copy of Bond-Receipt for Cash Bail.* A carbon copy of the bond or an official receipt showing the amount of cash bail posted, specifying the time and place of court appearance, shall be furnished to the accused and shall constitute a receipt for bail. The bond, cash bail, or both, shall be delivered to the office of the circuit clerk of the county in which the violation occurred within 48 hours of receipt or within the time set for the accused's appearance in court, whichever is earlier.

(C) *Driver's License or Bond Certificate.* If an accused deposits a driver's license with the arresting officer in lieu of bail or in addition to bail, or deposits a bond certificate, the arresting officer shall note that fact on the accused's copy of the ticket and transmit the driver's license or bond certificate to the clerk within the time provided in paragraph (B) of this rule.

Illinois Trucking Associations, Inc.

(D) *Individual Bond.* Persons arrested for or charged with an offense covered by Rules 526, 527 and 528 who are unable to secure release from custody under these rules may be released by giving individual bond (in the amount required by this article) by those law enforcement officers designated by name or office by the chief judge of the circuit, except when the accused is unable or unwilling to establish his identity or submit to being finger-printed as required by law, or elects release on separate bail under Rule 503(A)(3). Persons required to deposit both bail and driver's license under rule 526(e) may be released on \$1,000 individual bond and their current Illinois driver's license. If authorized by the chief judge of the circuit, individual bonds under this paragraph (d) may be executed by signing the citation or complaint agreeing to comply with its conditions.

(E) *Alternative Procedures in Minor Cases-Counties Other Than Cook.* In any case arising in the counties other than Cook, in which

the bail specified by Rule 526, 527 and 528 does not exceed \$105, an accused may place cash bail or deposit (in the amount required by such rule) in a stamped envelope (to be provided by the arresting officer) addressed to the clerk of the circuit court, of the county in which the violation occurred and, in the presence of the arresting officer, deposit that envelope in a United States Government mailbox. The accused shall then be released from custody. The appropriate portion(s) of the ticket shall be enclosed with the cash bail or deposit. In rural areas where U.S. government mailboxes are not reasonably available, the accused may elect to deposit with a State Police officer, an enforcement officer of the State Department of Natural Resources or Secretary of State, or a sheriff, deputy sheriff, or other law enforcement officers designated by name or office by the chief judge of the circuit, the sealed envelope containing the cash bail, rather than having to accompany the arresting officer to the nearest mailbox. In such cases, the officer will mail or deliver the sealed envelopes to the clerk of the circuit court before the end of his current tour of duty.

NOTICE TO APPEAR

Whenever a peace officer is authorized to arrest a person without a warrant, the officer may instead issue to such person a Notice To Appear. The notice shall be in writing; state the name of the person and his address, if known; set forth the nature of the offense; be signed by the officer issuing the notice; and request the person to appear before a court at a certain time and place. Upon failure of the person to appear, a summons or warrant of arrest may be issued.

MINIMUM PRESET BAIL AMOUNTS

Traffic Offenses. The basic Rule 526(a) presets bail for minor traffic cases at \$120. Bail is preset to avoid undue delay when it is not practicable to bring the accused before a judge.

- Those violations denoted by an asterisk (*) require mandatory court appearance.
- Those violations denoted by an asterisk (*) are exempt from the provisions of the NONRESIDENT VIOLATOR COMPACT, and the normal Supreme Court Bail Rule applies.
- Those violations denoted by the number sign (#) require fingerprinting of the violator.

IN EVERY CASE THE PERTINENT ILCS SECTION SHOULD BE READ TO DETERMINE THE PROPER CHARGE AND BAIL.
